#### Quality Management

"The Management is committed to providing and maintaining a quality management system which meets all the requirements of ISO. Meeting the needs and expectations of our customers are our customer and maintaining the company's reputation and standing in the market place."

#### Quality Workmanship

"Being a quality driven company, we lay massive emphasis on the quality of our garments. Our garments are noted for their quality workmanship. We ensure that the fabric is one of the finest quality. A lot of emphasis is laid on the designs, color and strength of garments."

#### Quality Standards

"Style is as important as quality is significant. All our products are subject to in-house scrutiny for multiple times. The scrutiny begins from the receiving of raw materials. The raw materials procured from outside are checked thoroughly by the experts to determine the parity between their quality standards and ours"
